

Experience the fulfillment of using your talents and interests to perform acts of service in our community. Build up community service hours and references for your resume while doing what you love.

As a church, we participate in many acts of kindness and service to our community, and we would love for students to experience the joy of giving back with us.

One of our core tenets is to give people the space to differ on issues of belief or practice. We seek to focus on what unites us, rather than what divides us and only ask that students focus on having a positive impact through their acts.

USE YOUR SKILLS, LEND A HAND

HELP YOUR COMMUNITY TAKE SHAPE

DO YOU HAVE A TALENT THAT YOU'D LIKE TO SHARE WITH YOUR COMMUNITY? ✨

If you are a Junior or Senior, Pilgrim Covenant Church is offering to match your individual talents and interests to opportunities for community service.

In addition to experiencing the rewards of giving back, you will earn credits for hours of community service to help you fulfill service requirements for graduation and honor programs.

We commit to logging your hours of community service and reporting them to your school to help you meet your goals.

We will also provide references to participating students for inclusion in honor program and college application packages.

This isn't a one-time offer. We want to help you throughout your academic journey (and after) to give back to the community in a way that resonates with you, personally.

WRITING

Contribute a story to the Granby Drummer's Serindipity Column about any occurrence in your life that was unexpected or unexplainable. We will help proofread and submit your work.

MUSIC

If you sing or play an instrument—solo or in a group—perform in our coffee house or Sunday service. We also welcome anyone to join in our contemporary worship band.

COOKING

Help prepare meals for local food share programs or collect food donations for the community food pantry. Servers and cooks are always needed for the annual Swedish Pancake Breakfast.

ART

Create a banner or pennant, or help design posters for our events. We will provide materials.

VIDEOGRAPHY

Take photos or contribute content to our social media. Make a short film on any topic that delivers a positive, even thought-provoking, message.

WOODWORKING

Design and build a bench for our fire pit located on the PCC campus. We will provide materials (within reason).

WIDESPREAD MISSIONS

Walk the Global 6K to make a difference in the global water crisis.

Help the homeless at the Springfield Rescue Mission or at Christina's house.

Red Cross Blood Drives.

New England Seafarers Mission helps sailors separated from their families with handmade goodies and fellowship.
